FINAL PERFORMANCE TASK

ASEAN Integration in Education

Foreign Language HTML Webpage

Expected Output: HTML webpage similar to the attached Bahasa Indonesia sample. The content should follow the structure and language-learning focus of the uploaded document, including language background, grammar, phrase types, characteristics, and common expressions.

GRASPS MODEL

G – Goal

Create an informative and creative **HTML webpage** about the assigned ASEAN country's language. The webpage must help learners understand the language's background, basic grammar, phrase structure, and common expressions.

R – Role

You are a **Student Web Designer and Foreign Language Ambassador** assigned to introduce an ASEAN language through a digital learning webpage.

A – Audience

Your webpage is intended for:

- Classmates
- Subject Teacher
- Other students learning ASEAN foreign languages

S – Situation

As part of ASEAN Integration in Education, each group will create a language-focused webpage for their assigned ASEAN country. The webpage should serve as a simple online learning guide for students.

P – Product / Performance

Each group will create **one HTML webpage** for the ASEAN country assigned to them.

The webpage must include:

1. **Title / Cover Page**
   - Foreign Language: _____
   - Country: _____
   - Group number and members
2. **Language Background**
   - Official language/s
   - Where the language is spoken
   - Number of speakers, if available
   - Short history or influence of the language
3. **Grammar Overview**
   - Basic word order
   - Sentence structure
   - Plural form
   - Verb form / tense pattern
   - Special language features
4. **Types of Phrases**
   - Verbal phrases
   - Noun phrases
   - Adjective phrases

- Prepositional phrases
- At least 5 examples per type with English translations

5. **Characteristics of Phrases**
    - Must contain two or more words
    - Must have grammatical function
    - Must have grammatical meaning
    - Must be non-predicative
6. **Common Expressions**
    - Welcome
    - Hello
    - How are you?
    - What is your name?
    - My name is…
    - Where are you from?
    - Good morning
    - Good afternoon
    - Good evening
    - Goodbye
    - Thank you
    - Sorry / Excuse me
    - Please
    - Yes / No

- I understand / I don't understand
- Help!
- Stop!
- I love you
- Congratulations
- Happy Birthday
- Happy New Year

7. **Classroom and School Terms**
   - Student
   - Teacher
   - School
   - Book
   - Pen
   - Classroom
8. **Closing Quote**
   - Example: "One language is never enough."
9. **References**

HTML OUTPUT REQUIREMENTS

- File name format:
  Section_GroupNumber_AssignedCountry.html
  Example: **3BA_Group1_Indonesia.html**
- Webpage must open properly in a browser.

- Use organized sections, tables, cards, colors, and images.
- Design may be inspired by the attached HTML sample.
- Content should focus only on the assigned country's language.

RUBRIC FOR GRADING (100%)

Criteria	Percentage	Description
Language Content Accuracy	**30%**	Background, grammar, phrases, and translations are accurate.
Completeness of Required Sections	**25%**	All required parts based on the language document are included.
HTML Structure and Functionality	**20%**	Webpage follows proper HTML format and works in a browser.
Creativity and Visual Design	**15%**	Layout is attractive, readable, organized, and visually engaging.
References and File Format	**10%**	Sources are listed and file name follows the required format.

TOTAL: 100%
